Bakker walks out of meeting

Councillor Bakker walked out of Monday night's council meeting after council had voted to accept Mayor Fowler's recommendation on the appointments to fill three vacancies on the Library Board. Councillor Bakker objected to the Mayor's action and Councillor deBruijn pointed out that the council had previously requested the Mayor to make recommendations for the positions and he was doing exactly what he

had been directed to do. The walk-out occurred just 15 minutes after the meeting opened.

Council rejected the wording in a motion by Councillor Bakker on a proposed plebiscite on amalgamation. One of the questions proposed in Councillor Bakker's motion was "Do you favor, in case there is no amalgamation with Edmonton, an amalgamation of the

two St. Albert school districts?" The wording as proposed by Councillor Bakker was supported by Councillor Gibson, because an amalgamation would include school boards. Councillor deBruijn said a request for a plebiscite on the school question must originate with the school authorities. "We are away out in an area in which we don't belong" he said.

Board opposes referendum on schools

The trustees of the St. Albert Roman Catholic school board discussed a resolution received from the Protestant school board at their meeting August 20th. The Resolution reads as follows:

"Moved that we invite the Official Board of Trustees of St. Albert School District No. 3 to join with this board in a request to the council of the Town of St. Albert to hold a referendum, during the 1968 elections, to determine an expression of opinion

by electors on the question of a single school district in St. Albert in place of the existing Public and Separate Districts."

Following discussion by the trustees their opinion was formally recorded:

Although the resolution passed by St. Albert Protestant Separate School District No. 6 requests only an opinion, the thought is a radical departure from the present school administrations, not only in St. Albert but in most of the province

of Alberta. We believe the intent to be sincere, however the method of release to the press with no prior consultation with the board of St. Albert School District No. 3 was not in line with the intent of the resolution.

We believe that the union of the two school districts at this time is like putting the cart before the horse. The all important question which requires an immediate answer is "Will St. Albert become part of the City of Edmonton?" A simple yes

Town hosts students

Last Saturday evening the Mayor and Council of St. Albert entertained the 24 young voyagers from Nova Scotia and their supervisors at a banquet prior to the dance being held in their honour at the St. Albert High School. The guest speaker was the Honorable R. Clark, Minister of Youth.

With the students from the East were their 24 counterparts from St. Albert and their supervisors who had not long returned from Quebec. The St. Albert Planning Committee who had made the arrangements for the St. Albert visit were present along with representatives of the service clubs who have given assistance: the Eastern Star, Knights of Columbus, the Lions Club and the Chamber of Commerce.

After the banquet the Nova Scotians were presented with mementos of their visit to St. Albert by Deputy Mayor John deBruijn. The girls received spoons and the boys key-rings on which were engraved the recently acquired Town of St. Albert Crest. This is the first time the crest has been used for such a purpose. Councillor Gibson presented a set of Old Canada prints to each.

Volunteers work on Arts Centre

A typical work party at the new Arts Centre going up in Salisbury Park pauses for a moment last Friday evening.

On this occasion Sylvan Drive residents turned out to help volunteers from the Craft Guild and Creative School: Danny Regimbald mixes paint in left foreground beside Vern Whiteham with saw. Standing at back are Andy Woladko with broom, Doug Folkons with roller, Peter Bartlett with electric saw and Lawrence Schack with hammer and saw.

The new St. Albert Arts Centre located on Salisbury Avenue, will open its doors for fall program around the first of October.

The two huts provided by the town of St. Albert to the citizens of St. Albert are assembled by volunteers and volunteers only. Countless hours has already shown encouraging results under the direction of Mr. P. Garrick and Mr. C. Bruce.

By erecting the two huts together the opportunity for a concentrated community centre has been fulfilled. The centre will be open to all citizens according to the individuals needs.

The rooms in the complex will consist of two class-

rooms, a meeting room, a craft room, a kiln room and a workshop. The use of most of these facilities will be open to other organizations for meetings or sessions when not in use. The Creative School for example has offered the use of the classrooms for recreational activities after school hours.

The Craft Guilds Ceramic workshop earlier located in the community hall will now have new spacious quarters in the arts centre and ceramics will be offered to both children and adults. However other activities such as arts and craft, copper enamelling, batik, millinery, basketry and numerous others will

be offered to all ages - sponsored not only by the craft guild but other organizations in town.

This is truly a community project of which St. Albert can be proud. Citizens have shown an increasing interest in this project and have formed STREET WORK PARTIES getting together and donating one evening of their time to the centre. This has assisted the hard working volunteers from the Creative School and the Craft Guild to complete the centre in time for fall activities. Residents of any street or crescent who would like to donate one evening to the project are invited to phone 599-7513.

An Open House is scheduled for late September and every one will be invited to inspect this worthwhile community project - the St. Albert Arts Centre, first of its kind in Western Canada.

Mr. Edmond Ricard shows one of the giant-size tomatoes he has produced in his garden at 7 Maple Drive. The tomatoes are still green and growing and this one measured over 4 and one-half inches across when photographed last Thursday morning. It is of the Fireball variety and he also raises Rocket and Body tomatoes. Mr. Ricard who is 70, farmed in the Morinville district up until four years ago, and formerly came from Yakima, Washington, where his family had a fruit farm. He has always been an enthusiastic gardener and says it takes some know how and experience. Mr. Ricard is not a bit worried about what to do with his large crop of tomatoes - he has 37 grandchildren and 11 great-grandchildren in this area.

Ron Thordson in foreground and Rene Kam'youroff (back right) lead a band to see that everyone gets plenty of food at the barbecue tendered the local and Nova Scotia students by St. Albert Lions Club on Sunday on the lawn at Dr. Cuts residence. The evening was entirely informal and the 20 or so Lions who took part report an enjoyable visit with the voyagers.

Lions entertain

The tantalizing aroma of thick juicy steaks being cooked to perfection filled the air Sunday evening when the St. Albert Lions Club entertained the 24 visiting

high school students from Nova Scotia, their St. Albert student hosts and the group's teacher-escorts at a Bar-B-Que held at the residence

of Dr. and Mrs. Wm. Cuts. At the end of the evening which concluded with a sing song around a huge bonfire, the visitors were presented with a booklet on behalf of the St. Albert and District Chamber of Commerce and a pennant by the St. Albert Roman Catholic Parish. The escorts for the group were Mrs. Phyllis Nichols and Mr. Joseph Peck from Nova Scotia and Mr. and Mrs. John Bauman of St. Albert,

Visitor recalls early days

This picture was loaned to us for reproduction by an oldtimer of the area, Mr. A. L. Taylor, now of Toronto, who was in the Gazette office last Wednesday morning while visiting in St. Albert. In the early part of the century the Dawson general store building occupied almost the entire block from the bridge to the corner where St. Albert Pharmacy now stands. In 1907 when this picture was taken, Mr. Taylor, then in his late teens, was employed by Mr. Dawson. At that time Mr. Fleury Perron had a grocery store across the river on the opposite side of the street, where Chris's store is now, and the LaBelle meat market was operating across from Perrons. This store was a two-story building for part of the block, with furniture on the upper floor and continued on as one store.

Mr. Taylor who had not been back to this district since 1928 found both St. Albert and the area around his old homestead in the Sandy Lake area vastly different. Accompanied by his son, he spent a part of his vacation visiting in the area last week. He recalled an incident while working for Mr. Dawson when he and Hughie Kennedy were sent

for a load of furniture. They used a team and dray from Leon Levasseur's livery stable (located where St. Albert Garage now stands). (Mr. Levasseur was a former Mayor here and has a daughter still living, Mrs. St. Martin, now in Edmonton). The dray was piled high with furniture when the team became frightened on the railway bridge by the

elevators and took off at a dead gallop. Mr. Taylor jumped clear and Mr. Kennedy narrowly escaped injury while the team charged right through the snow fence and kept on going. The two young fellows had their work cut out for them gathering up the load.

Mr. Taylor also served with the volunteer firemen during the early years and remembers the winter of 1906-07 when temperatures in the 68-72 degrees below zero were common. For a time he worked at the hard coal collieries past the old bridge close by St. Albert. He remembers a bad accident when a steam thresher went partly through the bridge over the Sturgeon and trapped the driver underneath it. Despite every possible effort there was no way to lift the big machine and the only help they were able to give the unfortunate victim was doses of morphine until he died after several days.

Mr. Taylor advised by Mr. Dawson while in his employ, to invest in some Edmonton property which he did. However when he left for Eastern Canada he sold the property, which was in the block later purchased for the CPR station! When war broke out both Dawson and Taylor went overseas with the same Edmonton battalion and Mr. Dawson lost his life. Mr. Taylor returned and took out a homestead in Sandy Lake area where he brought his wife and remained in the district until 1928 when they sold to make their home in Eastern Canada.

While he was here last week he stopped at the Museum and enjoyed a visit with the Fathers and also drove around the town where he found some of the homes he had known, such as the Hittlinger house in Mission Park, still standing. He stopped in to see Mr. Gene Perron as well. We enjoyed meeting Mr. Taylor and his son and hearing about our town in its early days.

Welcome

Welcome to St. Albert, Mr. and Mrs. Ian Skogstad and family, Mr. and Mrs. Arthur Huard, and Mr. and Mrs. Stanley Greenslade of the Sturgeon Heights area. Miss Mary Fuchs and Mr. and Mrs. Roy Gouchey of the Grandin area.

or no answer is necessary before any planning or action can occur. Union of the Public and Separate School Districts is only one of several important consequences.

It was moved THAT WHEREAS union of these districts would result in transfer of assets, including school land, buildings and equipment, to a new Public School System and subsequent annexation by the City of Edmonton would compel former ratepayers of St. Albert School District No. 3 to have their children attend Edmonton Separate Schools, but they may have lost all assets acquired to date.

THEREFORE BE IT RESOLVED that the Board of St. Albert School District No. 3 is opposed to a referendum pertaining to union of the Public and Separate School Districts and believes that such a referendum is the unique responsibility of the school authorities, not council.

Carried. The Trustees also discussed the implications of the Town Council considering a referendum pertaining to annexation with the city and recorded their opinion.

If the majority of the ratepayers in St. Albert are in favor of annexation with the City of Edmonton, or if the city annexes St. Albert as recommended in Dr. Hanson's proposal, the school districts in St. Albert would be absorbed by the Edmonton districts. St. Albert School District No. 3 would become part of Edmonton Public, and assets plus liabilities of the St. Albert districts would be transferred to the recipient city districts. The standard of education is high in St. Albert and would remain so under the city districts. The mill rate for education cost would be the same as in the city. The present total levy for education in St. Albert is 45 mills, in the

city it is 41.62 mills.

A motion carried that the board of St. Albert School District No. 3 inform council that a referendum pertaining to annexation with the City of Edmonton is extremely important as it dictates the action this board must take.

The board further moved the Board of Trustees, St. Albert School District No. 3 express in writing, feelings of grave concern over the release to the press on the matter by St. Albert Protestant Separate School District No. 6 after their meeting of August 9, 1968. And also the publications of expressions in their brief addressed to the Minister of Education, dated June 7, 1968, in view of the fact that this matter was to be a topic on the agenda for the joint meeting of the two school boards on SEPTEMBER 25, 1968.

STUDENT DISTRIBUTION

In the Superintendent's report to the meeting, Mr. Maloney gave an outline of the proposed distribution of students throughout the district in order to make the best possible use of the facilities available for the coming school year. He noted in particular that grade 5 would be offered at Vital Grandin School for those students residing in the Braeside and Sturgeon Heights Subdivision, while those grade 5 and 6 students residing in Grandin Park would attend the Father Jan School. Busing would be provided where possible.

BUILDING REPORT

Mr. Chernenko, the architect, gave a brief resume of the progress in the construction of the high school addition. The work seemed to be progressing along the expected pattern with nothing more than the usual minor problems being encountered.

Attention lady bowlers

Mrs. Donna Lynch is presently organizing a number of ladies bowling leagues. Members of last year's leagues who would like to bowl again and interested new comers are invited to contact Mrs. Lynch at 599-8977. There are openings in the Wednesday morning, Wednesday afternoon and Thursday afternoon leagues. For those who prefer to bowl Mondays, Mrs. Lynch is setting up a new league for that day too. The girls have a lot of fun at their weekly bowling sessions and the leagues are expected to be filled fast. So phone Mrs. Lynch right away if you want to bowl this season, the action starts around the middle of September. Mrs. Lynch would also like to hear from Air Force wives interested in starting up their own league in St. Albert.

In the Medley Relay the team of Margaret Laird, Ken Love, Steve Kovacs and Joanne Bellward came second and in the ten and under Medley Relay a St. Albert team (Catherine Fowler, Susan Jewitt, Donald England and Donna Mee-Sander) came fourth. The team consisting of Letitia Sopchuk, Bill Clark, Bill Gowans and Joanne Bellward came second and fourth in other Medley Relay races. The St. Albert Swim Club has made a most impressive start in its first year of operation and all its members are to be congratulated.

Another Mile Swim was held on Sunday evening. Michael Gariepy, Don McLoughlin and Corina Neilson won Bronze Awards (35-40 mins) and Brenda Gibbon, Mary Jamison, Michael St. Clair and Richard Gariepy completed the mile within the required 45 minutes. Anyone else interested in testing their endurance in this way should make enquiries at the pool.

MEN'S SOCCER The score was tied 2-2 in last Friday's game between the St. Albert team and the Blue Angels at Coronation Park. The schedule for the next series of league has not yet been issued, but

In the relays, St. Albert came first in the Open Club

Tennis team in finals

The senior St. Albert team had a lengthy but exciting semi-final playoff against Royal Glenora in the City Inter-Club Championships. Behind by a score of 2-1 going into Friday's match, the team of Betty Ontkean, Dave Kirk, Judy and Lorne Wood, Angle Sonntag and Bob Harvey managed to win 3-1, making the match scores tied at 3-3. The game scores were then tallied and there was still a tie of 39 each. This necessitated a further playoff on the neutral Garneau court on Sunday evening when the St. Albert team won by 2-1. The local team now enters the finals at Garneau at 6:30 p.m. on Wednesday and on Friday hosts the Garneau team at 6 p.m.

Anyone interested in seeing first-class tennis is invited to come along and watch as the top players in the Edmonton area will be taking part. In the recent Parkway Junior Tournament, St. Albert again had a winner when

Peter Stanley and his Glenora partner won under 12 boys doubles championship. Some St. Albert players will be entered in the Garneau invitational tournament to be held over the Labour Day weekend.

The local club will be holding an Invitational "B" tournament on September 7 and 8. It is expected that most clubs in the Edmonton district will participate in this inaugural "B" tournament which is sanctioned by the Albert Lawn Tennis Association and therefore championships will be recognized by them.

A Novelty Junior Tournament will be held on Thursday, August 29 at 1:30 p.m.

You are reminded of the Club Dance to be held in the Club Moombo on Friday, September 13 at 8:30 p.m. Tickets (\$6. per couple) are available from any member of the executive or by calling Floyd Maybee at 599-8127.

PROTESTANT SEPARATE SCHOOL

Registration 1968 - 69 School Term

District No. 6

Registration Day Tuesday, September 3,

Elementary, Junior High and Senior High School students will register in the GYMNASIUM of their respective schools on Tuesday, September 3rd, according to the following schedule:

Surnames beginning	A - G	9:30 - 10:00 a.m.
with the letter . . .	H - N	10:00 - 10:30 a.m.
	O - Z	10:30 - 11:00 a.m.

There will be no school on the afternoon on September 5th. Regular classes will commence on September 4th at 9:00 a.m.

Old Students

Students who have attended schools in the District in the 1966 - 67 school year will proceed directly to the tables marked "Old Students". Here a previously prepared Registration Form will be available - students are asked to bring information regarding changes in address, telephone number, etc., and additions to the family (with birthdates) since last year's registration.

New Students

All students new to the District and Grade One pupils will register at the tables marked "New Students", and are requested to provide the following information (noted on a piece of paper, please):

1. Full Name - no nicknames, please.
2. Date of Birth
3. Birthplace
4. Church Affiliation
5. Name of father, his occupation, business phone (for emergencies)
6. Name of mother, her occupation, business phone, home phone (where applicable - Name of guardian, occupation, phone)
7. Name of family doctor, phone number
8. Student's Home Address
9. Number of older brothers, older sisters
10. Names and birthdates of younger brothers, younger sisters
11. Name and location of last school attended, grade last term.
12. Other languages spoken at home.

Grade One Students

must present their birth certificate at the time of registration as proof of age. Beginners should reach their sixth birthday by December 31st of the year they enter school. However, parents who judge that the physical, emotional, social and intellectual maturity of their child is such that the child would be harmed by not being in school, may register the child for school if his sixth birthday falls before midnight on February 29th. Registration of children in this age category will be subject to a probationary period during which the staff will evaluate the readiness of the child for the Grade One program. The decision of the teacher and the principal will be final.

New High School Students Pre-Registration

and students whose course standings have changed because of summer courses should report to the counsellors at Paul Kane High School on August 28th to August 30th. All students are to report to classes on Wednesday September 4th, at 9:00 a.m. Students should check the "Class Lists" posted on the Bulletin Board for their homeroom allocation. Student Handbooks, Timetables, Textbook Lists and Textbooks will be distributed at that time.

Parents of senior high school students who have questions regarding the program of registration are requested to call Paul Kane office (599-6961) between August 28th and September 1st, when staff will be available to answer inquiries.

Text book Rental and Fees

The District operates a textbook rental plan which parents may or may not choose to enter. A considerable saving over purchase prices can be realized through this plan.

RENTAL TEXTBOOKS WILL BE ISSUED ONLY ON PRESENTATION OF PROOF OF PAYMENT OF TEXT BOOK RENTAL FEES, INCLUDING ANY ARREARS.

Parents who have not paid for damaged books or who have not replaced lost books from the previous school term will not be permitted to use the textbook rental plan until settlement is made. Post-dated cheques are not acceptable. Parents who are not able to make payment of Textbook Rental Fees on Registration Day should seek an arrangement with the District Office before August 31, 1967. A Voucher may then be issued by the District Office to be presented to the school at the time of registration. No rental fees will be accepted at the schools after 12:00 noon on September 5th, as the staff will be involved during the afternoon in staff meetings, organizing and preparing for regular classes the next day. It is preferable that each child pay his or her book rental fees separately. The Fee Schedule is as follows:

NOTE: Please pass this information along to "new neighbors" in your district. Copies of this notice are available at the District Office, located at 60 St. Winston Churchill Avenue; phone 599-7766.

Local teachers attend ATA conference

Five members of the St. Albert local of the Alberta Teachers Association attended the Provincial Executive Council in Banff this month, the 50th anniversary of the founding of the teacher's union. Over 200 delegates were registered.

Four general courses were offered, along with two special seminars. One committee was also engaged in long-range planning on Association services.

The largest section consisting of delegates from 73 of the ATA's locals was the Leadership Course. The course was designed to improve the local programs in inservice education for the membership, and to discuss and clarify the role of the provincial organization in relationship to the 19,000 members across the province.

Harold Gunderson, public relations consultant and controversial member of the Calgary Public School Board addressed the teachers. He said that teachers must have integrity to improve their public image.

Because of new educational trends and the interest of the public in their children's schooling it was emphasized that all educators have a responsibility to inform the public and to enlist their support of education programs. The public has the right to ask questions about the new math, school construction, costs, sex education programs, carpets in classrooms and so on. The local communications officer in ATA locals can play a significant role, and the ATA was presented a challenge to improve communication between teachers and the public.

The teacher welfare course gave local delegates a look at the Alberta economy, and discussed the techniques of collective bargaining by which teachers seek their living and working conditions.

Guest speaker at several of the sessions was John St. Albert

is well on the way to completion - though more help is still needed! The key figures in this community project, Charles Bruce and Paul Garrick, deserve full marks for the enormous amount of time and effort they have spent in seeing that the job is done and done well.

Classes to be held in the Centre will be announced shortly. While the building has been going up, much thought has been going on behind the scenes planning an interesting and exciting program of activities to go on inside.

BOYS' SOCCER
At the time of writing, arrangements are underway to enable the St. Albert Bantams and Midgets to attend the invitational tournament at Calgary next Saturday. Some difficulties are being encountered because of holidays!

Starla, director, Affiliates and Membership Division, National Education Association, Washington, D.C. He dealt with the problems of coordinating the activities of the provincial ATA with its 73 locals throughout the province.

The teacher welfare seminar was attended by a selected group of teachers being trained by the Association as consultants in teacher welfare. They studied teacher economics in depth, and had a close look at the collective bargaining procedures used by the membership.

Delegates enjoyed a picnic supper at Echo Creek campground one evening, and a dance another night.

Local girl feted

ST. ALBERT - On August 21st many friends and neighbors gathered at the home of Mrs. Jean Terrault where a miscellaneous shower was held in honor of Miss Frances Vollmer.

Accompanying the bride-to-be were her mother, Mrs. Irene Vollmer, Mrs. Irene Lema and her bridesmaids Misses Karen Vollmer and Patsy Lema.

For her shower Frances chose a soft green A-line dress, complimented by a very pretty salmon colored gladioli and pink roses made by the hostess Mrs. Terrault.

The evening of fun and games was followed by the opening of the many gifts. Frances then graciously thanked everyone for the lovely gifts and best wishes.

A delicious lunch was served and enjoyed. Co-hostesses were Mrs. Frances Iseke and Mrs. Jean Hesse. Frances is the bride-elect of Mr. Harold Lema of Villeneuve. The wedding will take place at the Roman Catholic Church in St. Albert on September 21st.

Where grows? -- where grows it not? It vain our toll, we ought to blame the culture not the soil.

POPE

In the Lion's den

by E. J. Aanhoust

I would like to start this month's column out by thanking the people who participated in the support of the circus that visited St. Albert last week. Thanks to you this project was a financial success.

Just a note of interest to all Lions' -- our International Vice President, Lion W. R. Bryan will visit the Corona Hotel in Edmonton on September 7. The purpose of his meeting will be to address present and future district and cabinet officers.

Those people who have visited the Lions Park in St. Albert recently will have noticed that a merry-go-round is a new addition, and that other work has been in progress. We would like to appeal to the parents of the children who use this park, to impress upon their youngsters to try and preserve the park. There is some damage done from time to time, and although we can expect normal wear and tear, some vandalism creates a lot of extra work for Lions.

In September we will be having a campaign in which St. Albert Lions will be canvassing the area selling light bulbs, and we would ask for everyone's support. The exact time and date will be announced at a later date.

Just a note of interest to those Lions who read this column but who do not regularly attend meetings, we would like to impress upon you that your membership may be lost through non-attendance and delayed payment of dues. We are using this medium to appeal to you.

WORK WITH BLIND

Among the major activities carried on by the Lions Club is its sight conservation and work with the blind. At the 1925 International Conference, the renowned Miss Helen Keller, known as the "Angel of the Blind" appealed to the delegates for greater Lions' participation in sight conservation and service to the blind. Moved by her address, the convention adopted a resolution making work with the blind a major activity of Lions International. In 1967 this resulted in the International Board of Directors issuing the following statement: "Before any individual, club district or state organiza-

tion enters into sight conservation and blind work activities, it is vitally important that a careful study of existing facilities be made. This study is very necessary to avoid duplication and to sometimes reduplication of programs and services already in operation to handle sight conservation and blind work programs. Lions Clubs can be of great help by becoming familiar with existing services so that they may be acquainted with proper resources to aid sight conservation and blind work." Regarding the above quotation, the writer of this article invites all information available by people presently working in this field, be it government, private or service clubs to let us know what is going on in the field at this time, and also we would invite any written suggestions where people may serve in this area. In addition to this, the writer would be glad to receive any suggestions regarding projects for the town of St. Albert's Lions Club to undertake, and we assure you that your suggestion will be given serious consideration.

SALUTE TO BILL WEBBER

Lion of the Month is Immediate Past President, Bill Webber. Bill lives with his family at 5 Grange Drive, St. Albert in lovely home on an acreage. The home was built entirely by Bill himself and anyone who has visited the Webber's will agree that it is a monument of pride. Bill joined the Lions Club in 1963 served as director, as third and first vice president, a president in 1967-68. The committee that Bill chaired were program committee, parks committee for two years, and due to Bill's drive and direction, the horseshoe facilities and cook shelter were added to the park grounds, as well as the fencing in of the area. Presently Bill serves as Immediate Past President which officially loads him with the responsibility of acting in an advisory capacity. Bill was a district president, and due to the work he did, this led to his being appointed as Zone Chairman. He now has the responsibility of being the official spokesman for the cabinet to aid Lions Clubs in the area. In addition Bill is associated with the United Church as a member

of the Board of Stewards and as Property Chairman. He also acts as the president of the social club of N.U.L. This is the social club with Northwest Utilities where Bill has been employed for the last sixteen years. His job is that of foreman of rural extensions for distributions, a most responsible

position. His hobbies include tennis and swimming. Bill's wife Joan, was also active in the Ladies Lions and served as president the 1965-66 term.

They have four children, two boys and two girls.
